

ADULT & JUNIOR FIDDLER CONTEST RULES FOUNDER FEST

This is a summary of the rules and regulations that apply to the Adult and Junior fiddler category only. It simply consolidates the rules and regulations applicable to this one category, for the convenience of the contestants and judges alike.

2. The judges decisions will be final.
3. The judges will not be permitted to enter or play in any contest category or will not be allowed to advise contestants in their selection of tune to be played.
4. No electrical instruments or drums will be permitted in any category.

6. Contestant must be present and in proper drawn position for entry on the stage when name is called from the staging area. Late arrivals or no-shows will be eliminated from the event. Allowances may be made for broken strings and other happenings judged to be beyond the control of the contestant.
7. In the interest of fairness to each contestant, a time limit of 2 ½ minutes per tune is allowed.
8. Contestants must have instruments tuned and ready to play when called to stage. Tuning on stage may result in loss of points.

B. CATEGORY RULES:

1. Adult fiddlers are fiddlers ages 18 years and over. Junior fiddlers are fiddlers ages 17 years and under.
2. Contestant will play two tunes of their choice and will be judged on (Judging Criteria 1-5) non-traditional performances will not be judged.
3. No tuning other than standard tuning is allowed.

The rhythm and timing should be even and consistent. Any jerking, rushing, dragging or unevenness in tempo of the performance will result in a loss of points.

2. Creativity.....(20 points):
The judges will listen for minor variations and improvisations. However, the creativity should not be excessive so as to change or destroy the basic melody line of the tune which will result in a loss of points.

Excessive and indiscriminate changes in a tune, which makes the performance unclear or unrecognizable, will result in a loss of points.
4. Expression.....(20 points):
The judges will listen for the “feeling” that the contestant puts into the performance. Flat, mechanical and unfeeling performances will result in lost points as will excessive “showmanship”.
5. Execution.....(20 points):
The judges will listen for the tonal quality and clarity of the performance together with the general command of the instrument.

D. GENERAL JUDGING CONSIDERATIONS:

1. Non-traditional performances will not be scored under the “Authentic Performance Style” judging criterion. Each tune will be judged independently.
2. Each judging category has a potential of 20 points, for a possible score of 100 points per tune. The final score for each contestant will be averaged by the number of tunes permitted in that category. High/low scores will NOT be thrown out (ALL points scored will be counted).
3. All contestants/performers are urged to consider the placement of the microphones and the efforts of the persons responsible for the sound system. Both are there to help the contestant/performers be clearly heard by the judges and audience alike. The judges will judge exactly what they hear. An instrument too close or too far away from a microphone could distort or drop out the sound, resulting in a loss of points. Please make sure your instruments are “miked” properly prior to starting your performance.
